## Main Hall

The pride of our beautiful Heritage listed Clubhouse, the Main Hall features a beautiful polished wooden dance floor and a view from floor to ceiling windows that overlook our C Green.

The Hall allows a function to be set for up to 120 guests seated at round tables or 180 cocktail style. As a conference area we seat up to 200 guests theatre style.

There is a projector, screen & sound system available for hire.

It has its own bar and can be separated from the members bar area and player's lounge, making it a fully private area.
